We are happy to provide this preliminary estimate for financial aid. This estimate is based on the information you reported on the Free Application for Federal Student Aid (FAFSA). Once we have reviewed and verified (if necessary) your FAFSA and University Aid Application data, you will receive an official award letter. This letter will indicate the actual awards you will receive and the additional steps (like those below) you must take to complete the aid application process.

This award represents the value of the Pell Grant based upon your eligibility and expected enrollment. The Pell Grant award may be reduced if you attended another college or university during the summer, Semester I or Semester II and used a portion of your Pell Grant while in attendance there.

ACADEMIC YEAR 2004-2005
