

**With CFS, Today's Actions Determine Tomorrow's Success!**

Dear Parents and High School Freshmen, Sophomores, and Juniors;

Stop Searching! Come find all of the college preparation and funding answers you are looking for in less than an hour- what to do, when to do it, and how to get the most from your efforts.

A startling fact is that over 50% of the students who start college never finish- most due to a lack of money. Our workshop will help your family avoid this by explaining the common mistakes and pitfalls to avoid, deadlines you must observe, and ways to boost the odds in your favor.

**Funding For College is Possible  
We Will Show You How**

Early and effective planning is the key!

Call today to make your Family's reservation for our upcoming seminar. Call **847-894-4313** to reserve your family's spot.

The workshop will be held at **Christian Life Church with Youth Pastor Derek Ellingsen**. In order to secure enrollment, both parents (unless single parent) and the student need to attend. The workshop will take place at the church in *Room 207*.

**Thursday, May 20th at 6:00pm**  
Space is limited, so call today!

If college is a top priority for you, our workshop is a must! You will not only learn the vital steps in the process, you will also learn the "behind the scenes" methods colleges use to select students and award funding (including vital details that are not readily available to families).

After the free workshop, your questions will be personally answered by a College Advisor, in your favor. Call toll free **847-894-4313** to reserve your family's place today!
