

ATTENTION PARENTS AND GRANDPARENTS!

If your child or grandchild plans on attending college, you need to hear this important message on:

"How to Get the Best Education at the Best Price"

Students who start preparing as sophomores and juniors increase their chances of receiving money from the college of their choice.

- College Funding Solutions, Inc (CFS) has been helping students realize their dreams for more than 10 years.
- CFS provides a full service college preparation and funding solution for students specializing in career planning, college search and selection, test preparation, and in securing the funding needed for college.
- CFS will guide the family through the entire duration of the college education, not just the first year.
- CFS has worked with 8,600 students and families nationwide, and has helped these families prepare and pay for college.
- College Funding Solutions, Inc.'s graduation rate is almost *twice the national average*.

**Marietta Dodge and Marietta Jeep endorse the CFS program. We recommend that you attend an upcoming seminar if your child or grandchild is currently in high school and plans to attend college. Marietta Jeep and Marietta Dodge recognize the financial burden college costs can create. It is our desire to offer ideas and services that help employees navigate this cumbersome process.

Get started today and turn the process in your favor. Fill out the questionnaire on the back and turn it in to Pat. The seminars will be held in the Marietta Dodge conference room. Two seminars will be held:

Wednesday, June 2nd at 7:00 p.m, and

Thursday, June 3rd at 7:00 p.m.

CFS asks that **both parents and the student** attend the seminar.
